

CAN AND GLASS CRUSHER

MODEL 270

High Volume Can and Glass Crusher Ideal for Can Manufacturers, Recycling Centers, Bottlers and Breweries

A larger and more powerful version than the Model 250 with greater throughput. This crusher is user friendly, easy to maintain and requires no change in machine setup to crush cans or glass. Built for hard use and trouble free operation with minimal maintenance or upkeep. Overload compression springs prevent jamming. 10 HP.

STANDARD PRODUCT FEATURES

- Rated capacities:
 - 2500 lbs of aluminum cans per hour
