

VERTICAL BALER

MODEL V63XHD

This baler is full of features the others can't touch. It's 7" cylinder with a 60" stroke makes it the unit of choice for numerous recycling and distribution centers with high volumes or tough materials. It outperforms all comparable balers and is considered by many to be the best value in the industry. This heavy-duty baler delivers greater compact force while still only taking minimal space.

Ideal for: • Grocery Stores • Home Retailers • Pharmacies • Big Box Retailers • National Accounts • Commissaries • Warehouses • Distribution Centers • Hospitals, Schools & Universities • Recyclers
