

## COMMERCIAL HARD DRIVE SHREDDERS

### MODEL AMS-150HD-SSD & AMS-300HD-SSD

The **AMS-150HD-SSD** and **AMS-300HD-SSD Shredders** have dual head cutting chambers that will shred solid state hard drives, flash drives and thumb drives on one side and rotary hard drives on the other. Each chamber has its own shred width, infeed slot, throughput rate and discharge bin. Only one cutting chamber may be used at a time and it can only be used for its intended e-scrap. These SSD shredders may be stationary or placed in trucks for mobile hard drive shredding.
