

VERTICAL BALER

MODEL B5 WIDE

The B5 Wide is perfect for customers with a small amount of bulky waste, like wide cardboard boxes.

- High capacity – large output
- Wide feed opening (39 in.)
- Press force 11,000 lbs.
- Retainer dogs hold down compacted waste
- Auto-eject system
- Store and refill bale cord in front
- Single-phase power pack
- Meets ANSI and OSHA standards

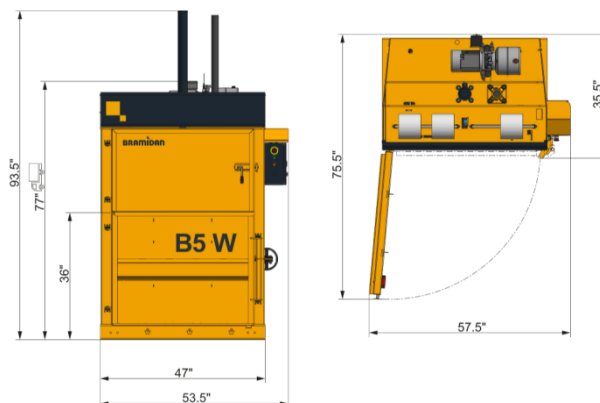

FEATURES

WIDE FEED OPENING

An extra wide feed opening to accommodate large and bulky materials. Toss large boxes straight into the machine without breaking them down.

SUITABLE FOR ANY APPLICATION

This single-phase machine is user friendly and easy to install in a variety of different industries.
