

VERTICAL BALER

MODEL X6030 LP

With heavy scissor cylinders, the X6030 LP is ideal for low ceiling applications where a full mill-sized bale is needed.

- Full 60" bale
- Less than 92" installed height
- Front tie off - can be placed up against the wall or inside rack
- Can be used for cardboard, stretch wrap, PET, aluminum cans etc.
- Quiet Power Unit -- noise level like an office printer
- Compliant with ANSI and UL regulations

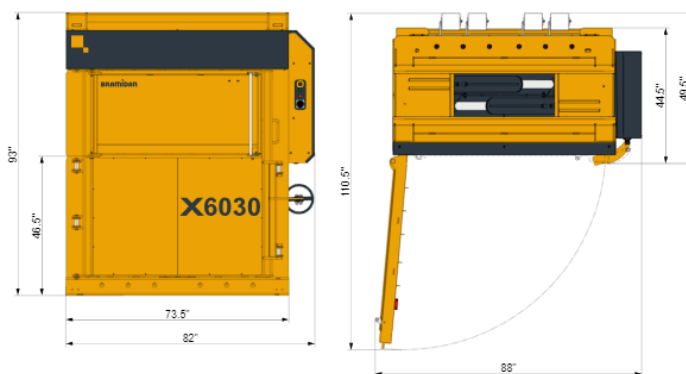

FEATURES

LOW PROFILE 60" BALER

The X6030 LP is low profile machine that fits installed under an 8 foot ceiling, and still makes a full 60" bale.

HEAVY DUTY AND HIGH PRESSURE

With 88,000 lbs of pressure, an almost fully penetrating press plate and a heavy duty frame, this machine can handle PET, aluminum cans as well as cardboard and stretch wrap.
