

BALER B4 TEXTILE

The Baler B4 Textile was specially designed for compacting textiles and clothing. The chamber does not have retainer dogs which prevents ripping and staining.

- Easy to use control panel
- Automatic ejection system
- Full bale indicator light
- Small base area & overall width (37 in.)
- Finished bales of just 30 x 20 x 24 in.
- Single phase power connection

FEATURES & OPTIONS

NO RETAINER DOGS INSIDE CHAMBER

The B4 textile is a dynamic machine for compacting clothing that is free of rips and stains.

MANAGEABLE BALES

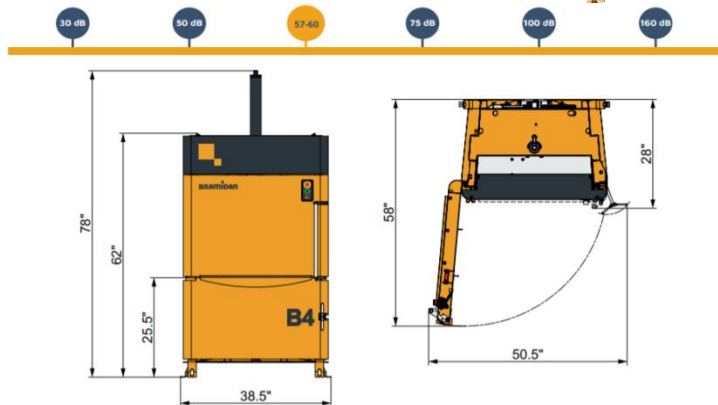

Finished bales are small and manageable after being safely removed with the two-hand ejection system.

UNIQUE BALER FOR CLOTHING & TEXTILES

- As quiet as an air conditioner
- Time saving and easy waste handling
- Small waste volume with a press force of 8,800 lbs.
- Bale weight of 55-175 lbs.
- Waste types – textile, clothes and fabrics
