

INDUSTRIAL PRE-SHREDDERS – DOUBLE CUT – SERIES 2

MODEL AMS PT

Hopper Fed Industrial Pre-Shredder shown with a Series 3 Industrial Paper Shredder. Turn your existing strip cut shredder into a double cut shredding system without doubling your space or reducing your throughput.

A forty horsepower AMS-4000 is shown above with a separate hopper fed pre-shredder that discharges onto its in-feed conveyor. These pierce and tear shredders offer customers that are running strip-cut shredders the option of a double cut in order to produce a smaller particle size..

STANDARD PRODUCT FEATURES

- Choice of horsepower & shred width
- Space saving versatility
- Infeed conveyor available
- Turns an existing strip cut shredder into a double cut system
- Both shredders run independently for optimum functionality
